DESIDERATA

Go bravely amid the noise & haste,
& remember what peace there may be in silence.
As far as possible without surrender
be on good terms with all persons.
Speak your truth quietly & clearly,
and listen to others, even the quiet
and the humble — they too have their story.
Avoid loud & aggressive persons,
they are vexations to the spirit.
If you compare yourself with others,
you may become vain & bitter;
for always there will be greater & lesser persons than you.
Do your duty as well as your plans.
Keep interest in your own career, however humble;
it is a real life, and it is changing fortunes of time.
Exercise your body in job & business affairs;
for the way of health is diligence.
But let your life be a quiet one, to what virtue it can.
Many a man's life is ruined for high ideals,
and the world is full of heroes.

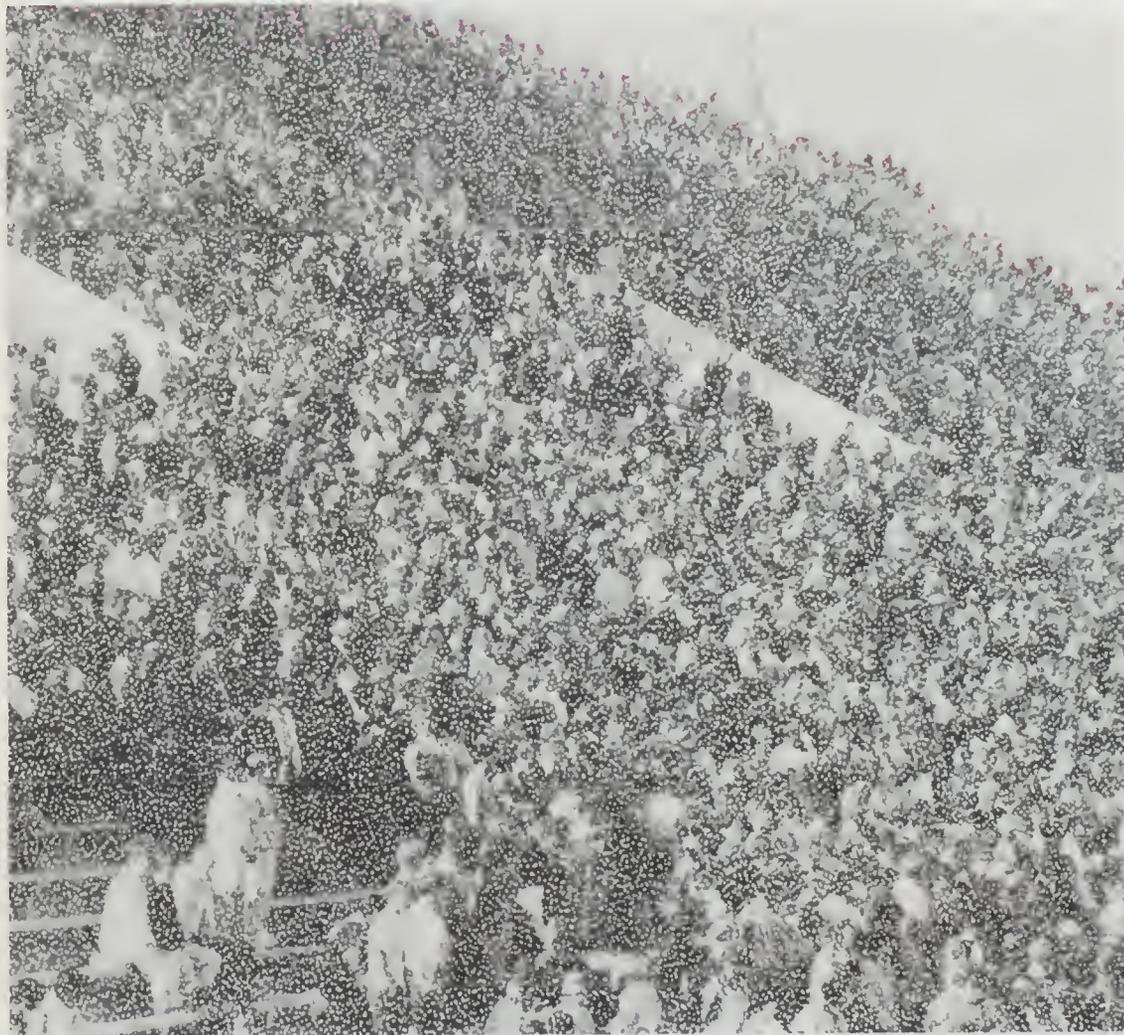

A black and white photograph showing a large crowd of people walking along a path. In the background, there is a long, low building with many windows. The scene is somewhat blurry, suggesting a candid or documentary style. The text is overlaid on the lower-left portion of the image.

Be yourself. Especially, do not feign affection.
Neither be cynical about love;
for in the face of all aridity & disenchantment
it is perennial as the grass.
Take kindly the counsel of the years,
graciously surrendering the things of youth.
Nurture strength of spirit to shield you in sudden misfortune.
But do not distress yourself with imaginings.
Many fears are born of fatigue & loneliness.
Beyond a wholesome discipline,
be gentle with yourself.
You are a child of the universe,
no less than the trees & the stars;
you have a right to be here.
And whether or not it is clear to you,
no doubt the universe is unfolding as it should.
Therefore be at peace with God,
whatever you conceive Him to be,
and whatever your labors & aspirations,
in the noisy confusion of life keep a peace with your soul.
With all its sham, drudgery & broken dreams,
it is still a beautiful world.
Be careful.
Strive to be happy.

We come into the world alone.
We go away the same.
We're meant to spend the interlude between in closeness
Or so we tell ourselves.
But it's a long way from the morning to the evening.

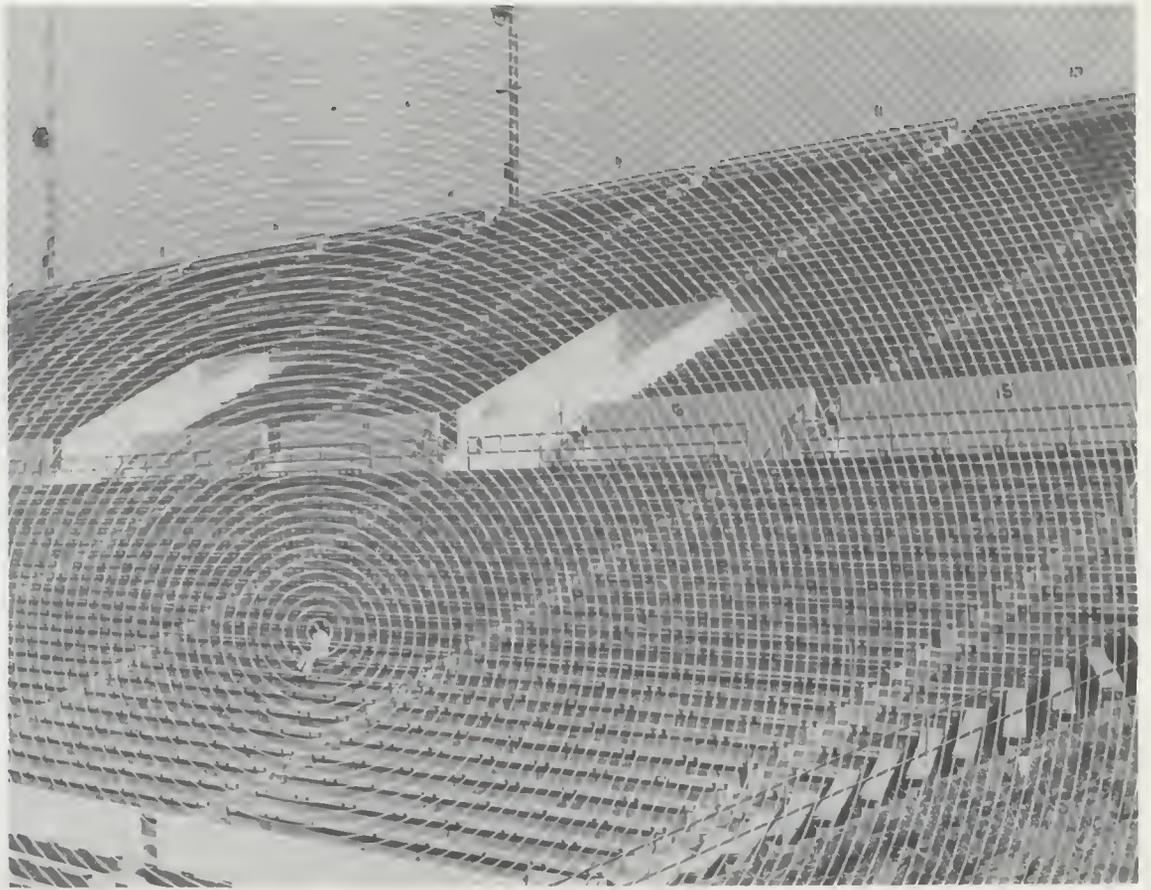

Rod McKuen

They had their world
I had my room.
I envied them only
for the day-long sunshine
of their lives.

Rod McKuen

Talk happiness.
The world is sad enough.
Ella Wheeler Wilcox

I've got some friends . . . I haven't even met.
If I get through one more winter here
I might get to know them yet.

Rod McKuen

We are individuals
Alone.

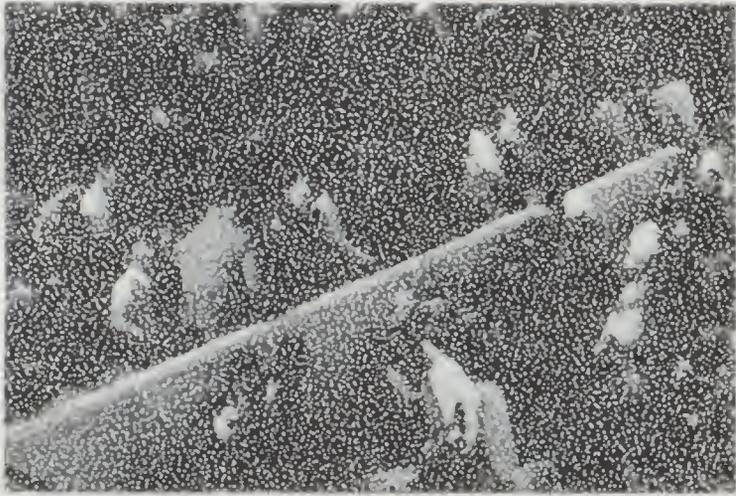

I stay alone
confined to me
imposing my philosophy
on no one else.

The year of 1970-1971 was one of many accomplishments for the Shadle Park music department . . . the bands and choruses performed at various concerts both in and out of town . . . the year was highlighted by the Christmas Concert, various music cons, the Torchlight Parade, and the Pops Concert, which featured Merrill Womach as the guest artist . . . the Jazz Lab Band made its annual tour to Reno, Nevada to compete with other bands from throughout the West . . . the various choral groups performed at many clubs and civic organizations throughout the city, as well as at the major concerts . . . the year of '70-'71 could be considered as being rather unique for the music department, since this is the first year in Shadle's history that there has been a course after school concerning composing, writing, and arranging of music . . . many students participated in this course, and several arranged music which was performed at the various cons . . . Larry Hagen, a band member, even had a chance to sell one of his works to a nearby university . . . considering all the accomplishments of the band and chorus groups, this year can be one in which we can all be proud of . . .

In a Crowded World

*We have grouped together—
but only to be stronger, united as one,
helping the family of man*

The club section of the 1971 Sporan tried to express the ideas and feelings of Shadle clubs and their members. Our pictures were not of groups of people. Instead we pictured people doing what that club does. The Key Club and Dileas Chailin joined together to promote the March of Dimes balloon sale. The Clansmen brought elderly people to one of our music cons. Hi-Lassies were the schools marching unit and held a dance and talent con. Cailleag Clan promoted good will and friendship with a monthly co-ed night, and Demarians offered discussions of revelant topics for other students. Clubs like science, rifle, art, drama, and talent, encouraged special talent and brought people closer together. Business clubs such as co-op commercial, Deca-Fi and Hi-Deca helped to prepare students for future careers and helped the school by selling class rings and concessions during lunch. A new club this year was power mechanics which specialized in small engine repair. Future Teachers of America worked with Field grade school students to give members actual teaching experience. Ski Club grew in numbers as their activities increased. The largest club, Pep Club, was never missed on color day and with new innovation of 'B' squad cheerleader the 'B' squad spirit grew.

In the fall . . .
football team found difficulty with tough opponents and injuries . . . quarterback Phil Jones was injured in the first Gonzaga game and was replaced by sophomore Jeff Sartz . . . the team beat Rogers for the first time since 1967 . . . Shadle took third place with four wins and five losses . . . Ferris captured its first football championship ever . . . "B" squad steamrolled to the city championship with eight straight wins, outscoring its opponents 247-26 and posting five shutouts . . . cross country team won third place in both the league and the all-city meet . . . runners lost two meets by only one point each . . . boys' tennis team won the unofficial fall championship by winning nine matches and losing one . . . Don Johnston and Marty Smolkowski won first place in doubles at the Greater Spokane Tourney . . . girls' tennis took third place—winning four and losing four . . . girl golfers tied for first place . . . Jan Rostvold was the medalist at the all-city golf match . . . boys' golf also won, with a 4-0-1 record, with Dave Boyson the medalist at all-city . . .

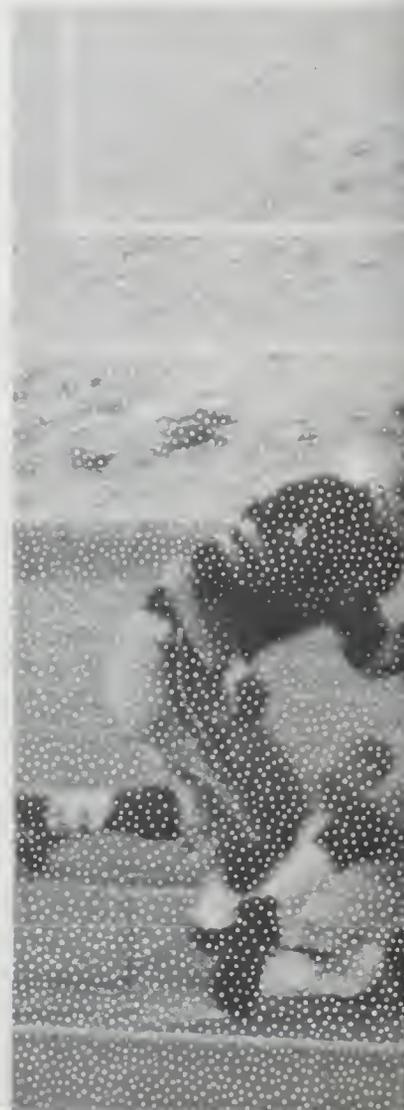

Above: Eluding two NC defenders, Barry Sartz (32) crosses the 15-yard line in anticipation of a touchdown as Dave Barker (44) and Wes Graham (85) look on. SP scored six touchdowns in this game.

Above, Dave Barker gains a first down for Shadle during the NC game as Kevin Strait (42) looks on. Barker completely dominated the game, gaining 213 yards. Dave also made both All-City teams. Fumbles,

interceptions, and wet Astroturf were the story of the first Rogers game (right). Here, Kevin Strait (42) is tackled by two Pirates. Rogers capitalized on Shadle's miscues and won.

Shadle Park quarterback Phil Jones, left, is decked by Steve Dodds (80) from Ferris in the first game of the season. Shadle lost to Ferris for the first time ever, by a score of 27-8. Phil played in only two games, being injured in the Gonzaga Prep game two weeks later. Below, Mark Skubinna (84) stretches to catch a pass in the NC game. Mark led the city league in pass receiving all season, ending up with 450 yards, and was named to both the Chronicle and Review all-City teams.

Below: An unidentified Shadle football player catches a pass on the 10 yard line in the rain-soaked second game with Ferris. The rain poured for most of the game, hindering the performance of both teams. This was one of the problems of the new Albi Stadium Astro-turf.

Dave Barker was voted the "Most Aggressive" player.

SP Battles To Third Place In City League

Above, Sophomore Jeff Sartz (10) scores a touchdown as his brother Barry (32) helps block in SP's only game with NC. Jeff took over the quarterback spot when Phil Jones was injured for the season. Struggling to gain yardage, Barry Sartz (left) is tackled by NC defenders. Barry performed very well all season as the Scots made their best showing of the '70 campaign—a 41-14 thrashing of NC.

In a Crowded World

*We try to be ourselves,
not merely one face in a crowd,
but individuals.*

"I have taught in high school for ten years. During that time I have given assignments, among others; to a murderer, an evangelist, a pugilist, a thief, and an imbecile.

The murderer was a quiet little boy who sat on the front seat and regarded me with pale blue eyes; the evangelist, easily the most popular boy in the school, had the lead in the junior play; the pugilist lounged by the window and let loose at intervals a raucous laugh that startled even the geraniums; the thief was a gay-hearted Lothario with a song on his lips; and the imbecile, a soft-eyed little animal seeking the shadows.

The murderer awaits death in the state penitentiary; the evangelist has lain a year now in the village churchyard; the pugilist lost an eye in a brawl in Hong Kong; the thief, by standing on tiptoe' can see the windows of my room from the county jail; and the once gentle-eyed little moron beats his head against a padded wall in the state asylum.

All of these pupils once sat in my room, sat and looked at me gravely across worn brown desks. I must have been a great help to those pupils . . . I taught them the rhyming scheme of the Elizabethan sonnet and how to diagram a complex sentence."

This is not an attempt to degrade our educational system, or any specific department of that system. The irony of the statement should show us that sometimes our system doesn't do quite enough for some individuals.

Above '72 meetings brought responses and new ideas on class problems and money-earning projects
Right: Diane Emry and Connie Davis sell spirit buttons, a class of '72 project to raise funds for junior activities.

To be alive—is Power—
Existence—in itself—
Without a further function—
Omnipotence—Enough—
Emily Dickinson

Right the '72 spring officers are President Dirk Petty; Vice-President Lynn Zirkle; Treasurer Lynn Parsons; Secretary Nancy Rowe; Fifth Executive Dave Urice. Below: Fall officers from left to right are: Fifth Executive Karen Bell, Vice President Jack Harshman, Secretary Sue Cuzzetto, President Scott Wakefield, and Treasurer Donna Barker.
